

Christmas with ALI'S DREAM

100% Volunteer Run Charity

Ali's Dream are selling Christmas cards to raise funds for research into discovering the causes, advancing treatment and finding a cure for Childhood Brain Tumours, which are now the biggest cancer killer of children.

Ali's Dream was setup in June 2001 in memory of Alison Phelan who lost her battle to a Brain Tumour just before her 8th birthday.

You can help us make a difference. Please support us by ordering our Christmas cards. We are a volunteer run charity, all the profits from these cards will help us to fight the battle and to hopefully stop other families in the future suffering the effects of this devastating disease. Your Support enables us to help fund the Alison Phelan Centre of Excellence into Brain Tumour Research at the University of Portsmouth.

If you would like to purchase some of our cards please send your order and payment stating the card types and the quantity you wish to purchase along with your details to the address below. Alternatively, you can email, call us and leave a message or contact us via Facebook where additional designs can be seen.

Fighting Against Childhood Tumours

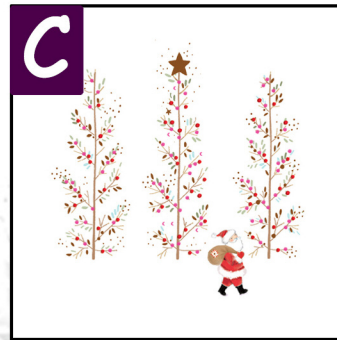

£1 each
